Upon such notice or retention date, whichever occurs sooner, CMS will notify the User either to return all data files to CMS at the User’s expense or to destroy such data. If CMS elects to have the User destroy the data, the User agrees to certify the destruction of the files in writing within 30 days of receiving CMS’s instruction. A statement certifying this action must be sent to CMS. If CMS elects to have the data returned, the User agrees to return all files to CMS within 30 days of receiving notice to that effect. The User agrees that no data from CMS records, or any parts thereof, shall be retained when the aforementioned file(s) are returned or destroyed unless authorization in writing for the retention of such file(s) has been received from the appropriate Systems Manager or the person designated in item number 23 of this Agreement. The User acknowledges that stringent adherence to the aforementioned retention date is required, and that the User shall ask CMS for instructions under this paragraph if instructions have not been received after 30 days after the retention date.

The Agreement may be terminated by either party at any time for any reason upon 30 days written notice. Upon such notice, CMS will cease releasing data to the User under this Agreement and will notify the User either to return all previously released data files

The User acknowledges that the use of unsecured telecommunications, including the Internet, to transmit individually identifiable or deducible information derived from the file(s) specified in section 7 is prohibited. Further, the User agrees that the data must not be physically moved or transmitted in any way from the site indicated in item number 4 without written approval from CMS.

10. The User agrees that the authorized representatives of CMS or DHHS Office of the Inspector General will be granted access to premises where the aforesaid file(s) are kept for the purpose of inspecting security arrangements confirming whether the User is in compliance with the security requirements specified in paragraph 9.

11. The User agrees that no findings, listing, or information derived from the file(s) specified in section 7, with or without identifiers, may be released if such findings, listing, or information contain any combination of data elements that might allow the deduction of a beneficiary's identification without first obtaining written authorization from the appropriate System Manager or the person designated in item number 23 of this Agreement. Examples of such data elements include but are not limited to geographic indicator, age, sex, diagnosis, procedure, admission/discharge date(s), or date of death. The User agrees further that CMS shall be the sole judge as to whether any finding, listing, information, or any combination of data extracted or derived from CMS's files identifies or would, with reasonable effort, permit one to identify an individual or to deduce the identity of an individual to a reasonable degree of certainty.

12. The User agrees that, absent express written authorization from the appropriate System Manager or the person designated in item number 23 of this Agreement to do so, the User shall make no attempt to link records included in the file(s) specified in section 7 to any other identifiable source of information. The User agrees not to submit such findings to any third party until

receiving CMS's approval to do so. CMS agrees to make determination about approval and to notify the user within 4 to 6 weeks after receipt of findings. CMS review of the findings is for the sole purpose of assuring that data confidentiality is maintained and that individual beneficiaries could not be identified. CMS may withhold approval for publication only if it determines that the format in which data are presented may result in identification of individual beneficiaries. The User agrees further to submit its findings to the National Technical Information Service (NTIS, 5285 Port Royal Road, Springfield, Virginia 22161) within 30 days of receiving notice from CMS to do so.

14. The User understands and agrees that they may not reuse original or derivative data file(s) without prior written approval from the appropriate System Manager or the person designated in section 23 of this Agreement.

Any person found guilty under the Privacy Act shall be guilty of a misdemeanor and fined not more than \$5,000. Finally, the User acknowledges that criminal penalties may be imposed under 18 U.S.C. § 641 if it is determined that the User, or any individual employed or affiliated therewith, has taken or converted to his own use data file(s), or received the file(s) knowing that they were stolen or converted.
